Facility Demographic Information

You may submit **either** a Partner Recognition or a Partner for Change application, **not both**. If you are having trouble deciding which application is more appropriate for your facility, please contact the **Awards Team**, or contact your PGH Member Engagement liaison.

If you do not have data that is specific to this campus or facility, do not enter it. For instance, if your system of 3 hospitals had 953 total **adjusted patient days**, but you cannot split that by facility, then leave **Adjusted Patient Days** blank. Likewise, if your health system bought \$5.6 million worth of computers, but you don't know how much was spent for each facility, please leave that field blank. **Please use this instruction throughout the application.**
