

Green Building

Introduction

The built environment plays an important role in both the promotion of healing in patients and the health of building occupants. Hospitals understand that a high performance healing environment can make a substantive difference in their ability to provide high quality care as well as their ability to attract and retain outstanding employees. Please highlight your facility's accomplishments and strategies relative to Green Design, Renovation & Construction.

Green Design and Construction

1.* Has the facility designed and built any projects (>1000 sq ft) in the last five (5) years?

- ☒ Yes
☐ No

Please highlight sustainable elements in building projects in Table A below. You **MUST** indicate the certification or standard used for the project in order for these points to be considered. We have populated this table in part from your responses last year however, if a project is now **more than 5 years old**, please remove it.

1.a* If your building is not complete, please briefly describe your project in the space provided but do not fill out Table A.

Table A. Green Building Projects

Project Name:	1.b* <div></div>
Type of Project:	1.c* Select an option... ▼
Year Completed:	1.d* <div></div>
Square Feet:	1.e* <div></div>
Certification:	1.f* Select an option... ▼
Brief Project Story:	1.g* <div></div>
Project Name:	1.h* <div></div>
Type of Project:	1.i* Select an option... ▼
Year Completed:	1.j* <div></div>
Square Feet:	1.k* <div></div>

Certification:	1.l* Select an option... ▼
Brief Project Story:	1.m*
Project Name:	1.n*
Type of Project:	1.o* Select an option... ▼
Year Completed:	1.p*
Square Feet:	1.q*
Certification:	1.r* Select an option... ▼
Brief Project Story:	1.s*

1.t* If responses were imported from a previous year application, have you verified that the projects in the table above were completed within the last five (5) years?

- ☐ Yes
☐ No

****Unfortunately PGH can only give credit for **completed projects******

2.* If the facility has completed more **than three LEED projects in the last 5 years**, please attach a file describing additional projects here or list in the successes section below.

Infrastructure for Green Design & Construction

3.* Did the facility have **pre-determined flexible space** it could utilize for surge capacity for the COVID-19 pandemic?

- ☒ Yes
☐ No

3.a* Please briefly describe **how flexible space was utilized** to support the pandemic response:

4.* Did the facility **adapt other usable space** to accommodate surge capacity for COVID patients during the pandemic?

- ☒ Yes
☐ No

4.a* Please briefly describe other space adaptation measures taken to address COVID-19:

5.* Has the organization implemented a **facility policy or commitment** to design and construct all new buildings and/or major renovations to **LEED** (or another green building) design standard?

- ☒ Yes
☐ No

5.a* Please indicate which design standard:

5.b* Please attach policy or commitment language related to **LEED** or other design standard.

Construction & Demolition Debris

6.* Does the facility recycle Construction & Demolition debris (C&D)?

☒ Yes

☐ No

Please enter your Construction and Demolition Debris data in the Table C below (Please do **NOT** include in Appendix A).

Table C. Construction & Demolition Debris

Construction & Demolition Debris	TONS per Year Current	Annual Costs Current	% of Total Tonnage
Disposed as Solid Waste	6.a* <input type="text"/>	6.b* <input type="text"/>	6.c* 0 <input type="text"/>
Recycled (segregated on site or offsite)	6.d* <input type="text"/>	6.e* <input type="text"/>	6.f* 0 <input type="text"/>
Total	6.g* 0 <input type="text"/>	6.h* 0 <input type="text"/>	100%

Other Green Building Program Successes

Please describe any other successes or innovations in the green building program or projects at your facility in the space provided below. Please feel free to provide commentary and/or attach a file.

7.* Green Building Success 1: Please describe

8.* Please attach any additional documentation (optional) for Green Building Success 1:

9.* Green Building Success 2: Please describe

10.* Please attach any additional documentation (optional) for Green Building Success 2:
