Memorial Sloan Kettering Cancer Center Rideshare Home

Welcome to the **Memorial Sloan Kettering Cancer Center Rideshare** matching service, a collaboration of MSK and 511NY, the New York State Department of Transportation's travel service. Whether you're looking to be a "greener" commuter, save some money, or get to work when your regular commute is interrupted, you have alternative travel options!

Through Rideshare, you can create a profile that will match you with fellow employees who have similar travel routes and patterns. You can also broaden your pool of potential travel partners by including commuters who don't work at MSK in your ride search. Or if you are looking for information on biking or transit, or traffic and transit conditions you will find it here too.

Need help? Contact 511NY Rideshare Customer Service by calling **511** and saying "**Rideshare**." Customer Service is available to help Monday through Friday from 6:00 am to 7:00 pm. Out-of-state travelers can call 888-GO5-11NY (888-465-1169), select New York City Metro and then say "Rideshare."
